Newsletter –August/September 2017

Our 3+ children went to visit the local Care home earlier this month.
We received a lovely letter from them and here are some of their comments
“The children were so well behaved.....their singing was delightful and their parents must be so proud of the way they behaved at the home with the older residents “
We are delighted that we have been asked to visit them again before Christmas.
Well done to our children!

As part of our story activities we would like to invite
parents/carers to come and read favourite stories with us.

This month both rooms entered the magical world of stories where children could explore and discover both classic and new stories.

We entered the land of giants in Jack and the Beanstalk, and the magical forest in the Gruffalo and went exploring different fruits and vegetables with The Very Hungry Caterpillar.

The children got the opportunity to act out stories, jump in muddy puddles, make a Gruffalo crumble, grow beans, explore different textures and most importantly have fun!

As parents and children were very enthusiastic we have decided to extend our walk through the unknown world of stories for the next few weeks.

We had great fun bringing our scooters and bicycles to the nursery and we would like to say a massive thank you to all of you for supporting us.
