

Tots and Scholars Nursery and Preschool

Newsletter March 2020

Following our reflection, children's interests and discussions we have decided that going forward our Baby room will be called CATERPILLAR ROOM and Toddler room will be called BUTTERFLY ROOM. Children have enjoyed activities around this and they will be glad to share the news with you all!

A reminder to all parents to please sign the children's register in/out. This is a safeguarding matter!

Forest School 2020

*Please would all parents make a note that **every last Wednesday** of the month our Butterfly children will explore the woods in all-weather conditions.*

Therefore can you please ensure your little one is wearing appropriate footwear, rain coat and hat/sun hat.

TOYS FROM HOME

Could we please ask parents to discourage children from bringing toys from home. Children naturally get very upset if their toys get lost or broken, or if other children try to play with them, and staff spend time dealing with this situation rather than spending time on the floor teaching and playing with your children. Thank you for your co-operation

WORLD BOOK DAY

Further to our email, we look forward to seeing all the children dressed as their favourite book character on Thursday the 5th of March. The day will be filled with surprises, from the tiger who will be joining us for tea to Little Red Riding Hood, all the characters will bring the magic to us. We look forward to a day to remember.

Mother's Day 2020

Thursday 19th March 4.30-5.30pm.

Happy Mother's Day to you,
Happy Mother's Day to you
Happy Mother's Day dear mummies
Happy Mother's Day to you!!!!

We look forward to welcoming all mummies, grandmas, aunties for our Mother's Day event and remind daddies, grandads and uncles that they have not being forgotten as Father's Day is round the corner.

The children are preparing lots of surprises and they look forward to welcoming you all.

Nappies and Wipes

We would like to remind all parents to regularly bring nappies and wipes requested by staff.

Mobile phones

A gentle reminder that for safeguarding reasons we do not allow mobile phones to be used when children are present. Please would you ensure that you do not use your phones when dropping off or picking up your children either in the garden or the foyer.

Recommendations

Here at TAS we are very pleased that many of you have recommended new families to our settings. We would like to show our appreciation to you by giving you 10% off your invoice for one month after a new family that you have recommended starts with us. We would kindly ask that you email us to let when you have made your recommendation so finance can apply the discount.

Science Week

Here at TAS we are in love with science activities, therefore during science week (week beginning 9th of March) we welcome parents to book a time to conduct a science experiment.

Please note that in addition to Bank Holidays the nursery will be closed for staff training on 26th June and the 6th November. We apologise for the inconvenience
