

Tots and Scholars Nursery and Preschool

Newsletter April 2021

Spring has arrived and we are welcoming the warmer days which will be filled with lots of fun learning and play.

We would like to welcome all our new families to our setting. We hope you enjoy being part of Tots and Scholars.

If you or a member of your family tests positive for the virus at any time, please email us as soon as possible and adhere to the government's track and trace regulations at all times.

Outdoor Forest Adventure

We are happy to announce that forest adventures have started again on the last Tuesday of every month. It is a great opportunity for the children to explore outdoor learning, encourage team work, and learn new ways of doing things alongside plenty more.

Could we please ask as the weather is getting sunnier that you apply sunscreen before the children start nursery and send in a sunhat. You may also like to pack a puddle suit this is allowed as we will be exploring in all weather conditions.

World Earth Day

On the 22nd of April TAS will be joining thousands of organizations to help climate change. As a first step we would kindly request during drop off and pick up that car engines are switched off to help improve the environment.

Together we can help restore the earth!

Shoes

Here at TAS we encourage the children to be independent, therefore we would like to request the children to wear Velcro shoes and easy to wear clothing.

Uniform

A gentle reminder that TAS uniform is to be worn on Mondays, Tuesday, Thursday and Friday.

Feel free to send your little one in their favorite clothing on Wednesday.

Private School Talk

27th April at 11am we will be holding a private school meeting via zoom. We aim to cover the local private schools in the area, expectations and aspirations. Please could you confirm your attendance by emailing us by the 26th April. Zoom link will be sent nearer to the date.

We said goodbye to Miss Karina this month and wish her all the best for the future.

EMPLOYEE OF THE MONTH
Meet Miss Kirsty Caterpillar room leader who has been with us for 5 years. We would like to take this opportunity to recognize all her hard work.

"I'm really very proud to be working as part of the TAS family working with children is my absolute passion and I always thrive in watching the children grow and develop as they go from tiny Caterpillars to Beautiful butterflies."

RECOMMENDATIONS

Here at Tots and Scholars we are very pleased that many of you have recommended new families to our nursery. We would like to show our appreciation to you by giving you 10% off your invoice for one month after a new family that you have recommended starts with us. We would kindly ask that you email us to let us know when you have made a recommendation so that we can ensure that the discount is applied.

Labelling Clothes

The Covid-19 restrictions are slowly easing in the near future. We don't want to relax our covid-19 safety guard. We want to remain safe at all times. Could we request all items of clothing and shoes are labelled clearly.
