

# FAIRYTALES DAY NURSERY

Ofsted  
Good  
Provider

WEEK COMMENCING:  
22ND MAY 2023

## Dates for your calendar

- **14th June** - Father's/Parent Day Event
- **21st July** - Graduation (Details to follow in due course)

On the 14th June we will be holding a Father's/Parent Day event at Fairytale's. Details of the day will be sent out soon and we hope all of our parents and carers can make this event to celebrate the wonderful parent role models!

## Safeguarding at Fairytale's

One of the ways in which we make sure your child is safe is by implementing our responsibility to take all necessary steps to ensure the safety and welfare of all the children in our care in line with the procedures laid out by our local Safeguarding Partnership ("LSP").

**TAS Designated Safeguarding Lead is Vanda and secondary is Andreea.**

During the day you can reach them on the nursery landline on 02089535948.

**In an emergency, contact the Police Child Abuse Investigation Team or dial 999.**

**Police Child Abuse Investigation Team  
020 8733 5070.**

## Reminders for parents

- Please ensure you are sending sufficient nappies and wipes for your child.
- Can we kindly remind you that if a child gets sick during nursery hours please make arrangements to collect them as soon as possible.
- Please make sure your child has **spare labelled clothes** at all times.
- **Labelling** - All children's spare clothing and school uniform **MUST** be labelled, to avoid confusion in the cloakroom.
- As the weather is getting warmer, may we please kindly ask that you bring sun cream, hat and a water bottle for your little ones.
- Please note that next week we have settling-ins and show arounds booked

Dear Parents/Carers,

After a very productive week we wanted to share with you some of the activities that the children have participated in! We'd like to thank you all for your continued support throughout this transitional process and look forward to working in partnership with you!

## ACTIVITIES THIS WEEK!

### Outing to the Park

One of our main goals here at Tots and Scholars is to engage with our local community, to discover the nature and the beautiful scenery around the setting. Therefore we are delighted to confirm that our first outing to the local park behind the nursery. We looked at the natural resources around us, discovered creepy crawly friends and embarked on an adventure where the children were able to learn, explore and discover!

### Science

We have started weekly science classes with your little ones. This week our science topic was 'floating and sinking'. We explored with different items in our magical box and experimented with these by putting them in a container of water and finding out whether they would float on top of the water or sink to the bottom!

### Cooking

In our cooking activities this week the children made and created biscuits. The little ones were helping to identify the ingredients that were needed to make our homemade biscuits, as well as learning how to measure out ingredients, strengthening their understanding of quantities, more and less. Of course our favourite part of our biscuit cooking, was the taste test once they had all finished baking!

### Toddler Room - Home Corner

We introduced real fruits and vegetables for the Toddler Room in the Home Corner to find out about different textures, natural resources and to begin the journey of sensorial exploration.

### Hello Mr Sun! - Sun Cream & Hats

As the sun has finally begun to shine down on us, we would like to send a gentle reminder to please ensure your little one has sun cream applied before coming to nursery together with a sunhat and water bottle (please ensure these items are labelled). We will have sun cream on site to top up the children throughout the day. Or alternatively you may send sun cream in with your little one if they have allergies/sensitive skin.

### Theme of next week:

WEEK COMMENCING: TUESDAY 30TH MAY

Preschool Room: Road Safety Toddler Room: Bear Hunt
